1. Introduction:

In current scenario of securities market at globe level, customer service is paramount for sustaining business growth and its development. Customer and client complaints are an integral aspect of every corporate entity's operations and also played very crucial role in the growth of every organisation. Customer satisfaction and service excellence is main motto of the organisation. Also, we believe that offering swift and effective service is pivotal not only for attracting new customers but also for retaining existing ones. Our company is dedicated to enhancing customer service and optimizing the complaint Redressal Mechanism through innovative initiatives aimed at surpassing customer expectations.

This Policy addressing and developed for grievances of customers with the following considerations:

- a. Fair treatment of customers at all times.
- b. Courteous and timely handling of customer complaints.
- c. Informing customers about avenues for escalating complaints within the organization and their entitlement to alternative remedies if dissatisfied.
- d. Ensuring efficient and equitable resolution of all complaints.
- e. Ensuring that company employees work in good faith and without bias towards customer interests.

2. Grievance Resolution

Any complaint received directly or through Exchange shall be redressed as soon as possible, however, not later than 15 business days from the date of receipt.
